STATEMENT OF INFORMED CONSENT AND RELEASE OF LIABILITY – YOUTH/ADULT PROGRAM

I, the undersigned, am applying for instruction for my child in the martial art of Aikido at Providence Aikikai and/or Aikido - Framingham Aikikai, Inc., an Aikido school, (hereinafter "the School") and declare that I understand that I am applying for instruction in a martial art involving strenuous exercise and personal body contact, and that I am fully aware that injury may occur in the practice of Aikido. Moreover, I understand that my child will be taking classes in the adult program and will be participating along with older, and sometimes larger, adult students.

In consideration of being allowed by the School to participate in classes, receive instruction, and use facilities furnished by the School, as well as receiving instruction, help, assistance, and advice from officers, instructors, students and members of the School (hereinafter "Activities"), I do hereby release and forever discharge all officers, instructors and agents of the School who arrange, advise, instruct, or supervise the instruction, classes, scheduling, practice, and any other function of the School from all claims, demands, actions, causes of action for personal injury, or any other damage that my child may suffer as a result of my child's participation in the Activities.

I understand that it is not the purpose of the Activities of the School to teach safety rules, nor is it the function of the instructors to serve as guardians of my child's safety. I understand that I am responsible for my child's participation in the Activities, and I agree to assume all risks that arise from the Activities. I further declare that I am not relying on the School to provide any insurance protection covering any injuries that my child may suffer.

I hereby personally and specifically assume all risks of any and all injuries suffered as a result of my child's participation in the Activities, whether foreseen or unforeseen, including any aggravation of any existing injuries or medical conditions, whether or not my child has had a medical examination. I assume all such risks for myself and my child as well as for my heirs, executors, administrators, and assigns. I agree that I will not pursue any lawsuit against the School or against its officers, instructors and agents for damages arising out of the Activities at the School.

I further state that I am of lawful age and legally competent to sign this affirmation and release, that I am the legal guardian of my child, that I understand the terms herein are a legally binding contract and not a mere recital, that I have signed this document as my own free act, and that I have fully informed myself of the contents of this affirmation and release by reading it before I signed it.
